About us

GRAVITY ACADEMY was established in Nagpur as a premier education institute to foster akeen, concept based learning environment for Engineering and Medical Entrance examinations, by bringing the best teaching methodology, study materials and experienced faculty Our goal is to bring the students from Vidarbha and cities around Nagpur. The students at our centre will now get access to study materials, certified and experienced faculties a ensuring three-pronged efforts to boost students to reach their utmost potential and results.

GRAVITY ACADEMY brings qualified and experienced faculty with the chief effort to get the best out of every student from class XI to XII. We believe that at this age, a student needs additional attention, consistent guidance and motivation, along with a concerned atmosphere for them to excel and improve their success rate in competitive exams. Apart from improving excellence in academics we ensure the students at GRAVITY ACADEMY are provided with all round Personality development, which includes Moral Education, Enhance communication & presentation skills in English, Yoga & Meditation for physical, mental & spiritual fitness.

We are capable to groom both average and brilliant students and we leave no stone unturned to render the best out of them. We believe in optimal & balanced IQ-EQ development to equip students to ace not just the competitive examinations, but all stages of preparation to excel in their academic career. Our mentoring, counselling & motivational sessions hone their minds and build strength and endurance to take on the highly stressful & competitive Engineering & Medical Entrance examinations.

Feeling Excited? Talk to our Counsellors today & get yourself enrolled with **GRAVITY ACADEMY** for better future.

Director's Message

Mr. Anil B. Tiwari
Director
Gravity Academy

Mr. Akhilesh H. Jadhav
Managing Director
Gravity Academy

Mr. Sanket S. Lihitkar
Academic Director
Gravity Academy

Dear Parents & Students, On behalf of **GRAVITY ACADEMY** welcome you to be part of our family! After going through the results of the exorbitant success rate of like IIT-JEE, NEET, AIIMS etc at national level, I began my hunt few years back to identify the root cause and eradicate the imbalance. The outcome of our study revealed that the students in Vidarbha are equally capable and potential, but lacks the level of coaching required to crack nation's tough competitive exams. To bridge the gap, we have decided to bring the Residential Campus System. Apart from Academic Excellence, we are committed in providing all round personality development through Moral Education, Communication skill developments, Mental & Physical fitness through Yoga & Meditation. Going with popular saying of Dr. A.P.J. Abdul Kalam, "Ultimately, education in its real sense is the pursuit of truth. It is an endless journey through knowledge and enlightenment". I wish you all a rewarding experience at **Gravity Academy**.

Thank You !

“ ”

Our Vision

Our ambition is to nurture enterprising and passionate future leaders, well-rounded in their academic and intuitive strengths, with an aspiring outlook in their career.

Our Mission

We aim to be the preferred education partner and destination for Engineering & Medical aspirants-by providing equal opportunity to every student to leverage the best resources of the country under one roof in commencing their academic career.

ALL ROUND DEVELOPMENT

Our Success Mantra

Focus on Academic excellence, along with Moral Education, Communication skill developments, Mental & Physical fitness through Yoga & Meditation.

INDIVIDUAL ATTENTION

Expert, but easy teaching. Focus on progress based study.

BEST FACULTY & MENTORS

Result Oriented Faculty & Having Experience more than 10 Year's.

RESOURCE DRIVEN

Academic material, test series, learning plan, and methodology.

RESULT ORIENTED

Professionally planned and exam driven academic calendar.

Our Programs

Gravity Academy offers a comprehensive set of courses for students in Class XI & XII designed to crack Engineering and Medical Entrance examinations like **IIT-JEE (Main & Advanced)**, **NEET/AIIMS**, **JIPMER** etc. For Students in Class **VIII to X**, we offer highly balanced pre-foundation courses which allows the students to prepare early for Engineering and Medical Entrance examinations. We also offer crash courses and repeater courses based on the local demand and needs. At Gravity Academy, we ensure that the students at our centre will get access to the same study materials, experienced faculties Our unique counselling coaching techniques, mentoring & motivational methods will make the students learn **Stress-Free**. Apart from imparting career based education, we are also committed improving the all round **Personality Development** of the students by providing **Moral Education**, Communication skill development and improving mental & physical fitness by **Yoga & Meditation**.

ENGINEERING

Courses focused to Crack IIT-JEE (Main & Advanced)

MEDICAL

Courses focused to Crack NEET-AIIMS & JIPMER

FOUNDATION

Pre-foundation courses to start early preparation & build competitive spirit

What is IIT-JEE Main & Advanced

Candidates seeking admission into technical institutions like National Institute of Technology (NIT), Indian Institute of Technology (IIT) and reputed tech institutions across the country have to appear for Joint Entrance Examination (JEE).

MAIN

Admission to the National Institute of Technology (NITS), Indian Institutes of Information Technology (IIITs), and some other colleges designated as "centrally funded technical institutes" (CFTIS).

ADVANCED

Admission to the Indian Institutes of Technology (ITS). Only the students selected in JEE Mains are eligible for appearing in JEE Advanced. It is used as the sole admission test by the 23 Indian Institutes of Technology (IITS).

What is NEET

What is NEET? National Eligibility Cum Entrance Test (NEET) is a national level single medical entrance exam conducted by National Testing Agency (NTA). Eligible candidates can apply for MBBS and BDS admissions. It is held for providing admissions in MBBS/BDS courses offered by all government and private medical colleges in India.

Admissions into other Medical Institutes / Colleges

AIIMS

The All India Institutes of Medical Sciences (AIIMS) are a group of autonomous public medical colleges of higher education. Admission to undergraduate Medical courses (MBBS) in AIIMS are done based on NEET score starting Academic Year

JIPMER

The Jawaharlal Institute of Postgraduate Medical Education and Research (JIPMER) is unique and the oldest Institution in India providing education in European medicine. It is Situated in Puducherry. JIPMER offers courses at the Undergraduate and Postgraduate levels and admits students. in undergraduate level based on NEET score starting Academic Year
